

DAY - 9

C :

```
#include<stdio.h>
int count_dig(int n)
{
    int count=0,d;
    while(n>0)
    {
        d = n%10;
        count++;
        n=n/10;
    }
    return count;
}
int main()
{
    int num;
    scanf("%d",&num);
    int res;
    res = count_dig(num);
    printf("%d",res);
}
```
